This application is approved on the understanding that the HQ911 Emily Project FARM 911 access is to assist in emergency situations only. An approved application does not imply that use of the property may proceed without additional permits or approvals as required by your Municipality and further does not constitute an approval of an “entrance” unless so directed by the municipality. It is the responsibility of the land owner to ensure signage remains visible and is maintained, if the sign is knocked down or damaged contact your local municipal office for replacement.

I/We the undersigned owners of the property subject to the application, acknowledge that approval of an HQ911 Emily Project FARM 911 application:

1. Is to assist in emergency situations only;
2. Does not permit further use or development of the property without the appropriate approvals;
3. Does not constitute the approval of an entrance from a public highway nor does it deem the access safe for use or that it meets and municipal entrance standards;
4. Does not guarantee that access is adequate for emergency vehicles and where access is not adequate, emergency vehicles may not be able to enter the property;
5. Requires the land owner to maintain and keep the access in good repair and ensure the signage remains visible and is maintained. Should the signage be damaged, knocked down or removed the land owner shall contact the Municipality for replacement/repair of the signage.

I/we confirm that we have read and understand the above stipulations and by signing below confirm our agreement to the above.
