A Public Meeting, as noted above, will be held on October 5, 2020 at 5:30 P.M. to consider an amendment to Zoning By-Law Number 10245, as amended, for a property located on the east side of North Park Street, north of Mcfee St, and south of Bell Boulevard, which is known municipally as 193 North Park Street.

The subject land has approximately 51.8 metres of frontage on North Park Street. An application for 193 North Park Street has been submitted to amend Zoning By-Law 10245 and the Residential Sixth Density (R6-3) Zone to permit the development of a new four (4) storey, fifty-four (54) unit building addition to the existing thirty (30) unit retirement home building on the subject land. To facilitate the proposed development, the following relief from the provisions of the R6-3 Zone is requested:

- Increase the maximum number of dwelling units from thirty (30) units to eighty-four (84) units;
- Increase the maximum building height from 10.6 metres to 15 metres;
- Reduce the minimum lot area per dwelling unit from 161.5 square metres to 111.3 square metres;
- Reduce the minimum interior side yard setback from 7.5 metres to 4.3 metres;
- Reduce the minimum separation between buildings containing windows to a habitable room from 15.0 metres to 13.8 metres; and
- Increase the maximum distance that enclosed steps can project into a required side yard from 0.6 meters to 1.8 metres.

A Location Plan is shown on APPENDIX 1 which is attached.

In the Official Plan, the subject land is designated as "Residential."
