Proposed 10-Year Capital Plan

10-Year Capital Plan 101

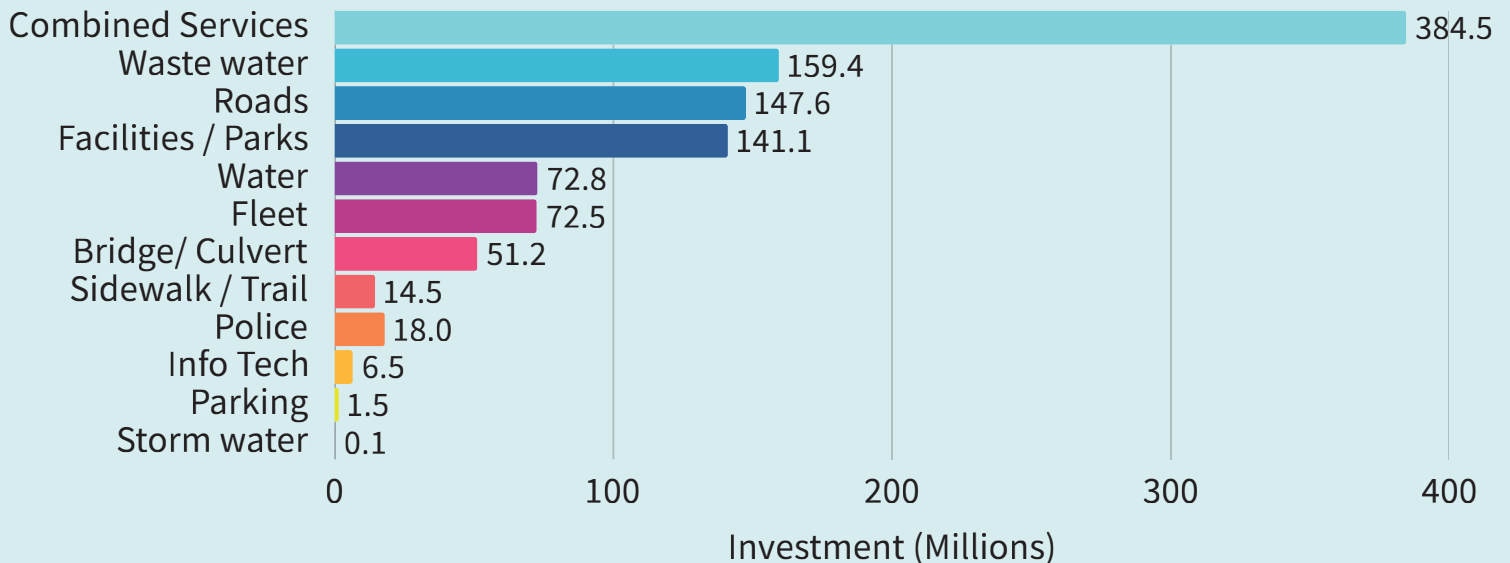

The City forecasts capital projects over the next 10 years to meet the levels of service identified in the City's Asset Management Plan. Projects identified in this plan may change over time as it considers new information on asset conditions and risk scores.

The 10-Year Capital Plan will be presented with the 2026 Capital Budget on November 18th for Council's consideration.

Key Projects

-  Old Highway 2 Reconstruction
-  Meyers Pier Rehabilitation
-  Wastewater Treatment Plant Expansion
-  Fire Hall #2 Relocation
-  Avonlough Road Redevelopment
-  North East Industrial Park Expansion

Total Investment from 2026 to 2035: \$1.07 Billion
