

Election Officials

Municipal Election Clerk's Procedure 05-26
Municipal Elections Act, 1996
May 29, 2026

The Clerk may appoint in writing Election Officials as required to assist in the administration, management, security and control of the Election, and may delegate to an Election Official any of the Clerk's powers and duties related to the Election under the Act.

The Clerk shall establish the roles and responsibilities of Election Officials as well as the number of Election Officials required to organize and operate a Voter Assistance Centre, or Special Voting Location for the Election.

As part of the appointment of an Election Official, each individual shall be required to take an Oath of Secrecy, related to their election duties and responsibilities, and each Election Official shall be required to sign a declaration attesting to same.
