Multi-Use Paths & E-Bike Use

Belleville's scenic multi-use paths invite visitors to explore the city by foot, bike, or accessible mobility device.

Pedal-assist e-bikes that meet provincial standards are permitted where bicycles are allowed. Scooter-style e-bikes and motorized devices are restricted in certain areas to ensure safety and enjoyment for all users. Please keep right, pass with care, and follow posted signage.

Learn more about trail etiquette and local by-laws at www.belleville.ca. Have fun!
